DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) filed 5 December 2006 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because one of the Non Patent Literature Documents (Nicklaus CGX publication) does not have a date which is required information on an IDS. The examiner is uncertain whether this document is prior art or not. It has been placed in the application file, but the information referred to in the Nicklaus CGX publication has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).

EXAMINER'S AMENDMENT

Art Unit: 3711
